Alex Whimster walked & Ray Wakeford ran separately during the event.

Some good fun while we split up the perennial winners, the Pugh Family, Elliott Pugh still managed to lead his team to victory with Lulu Johnston (2nd Year 7 AIMS Games Cross Country) along with Phillip Curtis that steady 60+ master)

Michael Pugh put up some quick times as he reminded himself of sub 3 minutes in years gone by for a lap that had seen some pretty quick times in the past from Mark McKeown, Mark Furlan and Ben Ruthe.

Mixing up the teams gives all the chance to appreciate the young talent we have around us while appreciating the days when we were faster.

Thank you to Ray Young, Robyn Winter, Andrea Mahy for timing and Pam Jones marshalling on the tricky bank to the road on the first turn.
